Join the Carramar community from just over \$200,000

A limited number of new lots at Carramar Golf Course Estate are now available at great prices.

As the selected lots include the final homesites at Carramar Heights and the last lots available in Delamare Park for some time, interest is expected to be high.

Buyers will need to act soon to secure their homesites in the family-friendly Delamare Park precinct, where lots are available from just \$202,000. Lots in the premium Carramar Heights area start at \$210,000.

Ranging in size from 414sqm to a generous 746sqm, all of the homesites provide plenty of room for growing families or for those who just enjoy more space to live and relax.

Set among natural surrounds, Carramar Golf Course Estate offers residents access to a range of recreational activities including a tennis court, basketball court, barbecue facilities, children's playground and picnic areas.

There's also a range of growing school, medical and shopping services within the estate, including the new Carramar Village shopping centre.
